

## **SDC FABRIC CONDITIONER (TYPE 1)**

**(MARKS AND SPENCER FABRIC CONDITIONER)**

SDC Enterprises are pleased to announce the launch of a fabric conditioner, produced at the request of Marks and Spencer for use in their test methods P12, P12A and P12B (Fabric Slippage).

SDC Enterprises would like to extend its thanks to STR (UK) Ltd, Derbyshire, for the assistance given prior to production and during testing of this product.

All SDCE products are batch controlled and supplied with a free Certificate of Conformity on request.

Available in 5kg can.
