Statement of Conformity

This is to certify that the SDC Fabric Conditioner – Type 1 has been produced and independently tested to conform to the specifications of Marks & Spencer Test Methods P12, P12A and P12B

Independent Testing

Where applicable, to ensure that all results are accurate, unbiased and impartial, testing is carried out in **Independent UKAS Accredited Test Laboratories** and sampling is conducted using ISO guidelines as a minimum requirement.

Internal Master Standards

Conformity of SDC Fabric Conditioner – Type 1 over time, between and within batches, is vital to give consistent test results and enable accurate comparison of test specimens to performance requirements. SDC Fabric Conditioner – Type 1 is compared during every test to a Historic Internal Master Standard, which guarantees no drift in performance over time.

Packaging

Please ensure that the product is retained in its original SDCE packaging, which contains the correct batch details. All product packaging is tested to ensure there are no contaminants that could cause product degradation to occur.

Pack sizes are measured and approved using UK weights and measures act.
