

Certificate of Conformity

SDC Phenolic Yellowing Control Fabric 10cm x 3cm

Product Code: 4220

Unit Size	10cm x 3cm Pieces - 25 per pack
Batch:	CF7
Year of Manufacture:	2020

Statement of Conformity

This is to certify that Phenolic Yellowing Control Fabric has been produced and independently tested to conform to the specifications of BS EN ISO 105 – X18:2007. M&S C20B and NEXT TM43

Independent Testing

Where applicable, to ensure that all results are accurate, unbiased and impartial, testing is carried out in **Independent UKAS Accredited Test Laboratories** and sampling is conducted using ISO guidelines as a minimum requirement.

Internal Master Standards

Conformity of SDC Phenolic Yellowing Control Fabric over time, between and within batches, is vital to give consistent test results and enable accurate comparison of test specimens to performance requirements.

SDC Phenolic Yellowing Control Fabric is compared during every test with a Master Standard, this guarantees no drift in performance over time.

Packaging

Please ensure that the product is retained in its original SDCE packaging, which contains the correct batch details. All product packaging is tested to ensure there are no contaminants or BHT content that could cause fabric yellowing.

Pack sizes are measured and approved using UK weights and measures act.
